The problem

Non-Compliance is **Costly**

Data is **Siloed**

Resources are **Limited**

Breaking it down:

The Cost of Workplace Incidents

Cost of Workplace Injuries & Accidents

There are more than direct costs of worker compensation when it comes to **impacting your organization's bottom line**:

- 💰 Increased Insurance Premiums
- 🚫 Brand Damage
- 😢 Decrease in Moral
- 💸 Fines

Breaking it down:
Key Performance Indicators

The **Top 5** Safety Metrics to Watch:

- Completed **Safety Observations**
- **Near Misses** Reported
- Number & Type of **Incidents**
- Types of **Injuries**
- **Correct Action** Close-Out Rates

Breaking it down:
Benefits of Digitization

Digitization Goals

- **Create Visibility and Awareness**
  - Dashboards to track KPI
  - Central access to reports

- **Simplify Data Collection**
  - Mobile and Desktop Reporting
  - Integrated Corrective Action and Photos
